RE: Enforcement of the Fourteenth (14th) Amendment to
The United States Constitution

Dear Mr. Obama:

Every American citizen is obligated to respect and enforce the constitution and laws of this nation, some more than others. This obligation is greater with career, constitutional lawyers and buck-passing stops with the Commander-in-Chief of the United States of America.

Leon E. Lofton Jr. (01-16-18 to 07-16-03) an honorably discharged, disabled American combat infantry veteran of a foreign war (WWII) was discharged September 25, 1945 into a society as cruel as the one from which he was drafted November 14, 1942, a fact proven by the complete and exact copy of an enclosed court document titled **JOINT PRETRIAL STATEMENT,** NO. 895 188: Leon E. Lofton Jr. and Esther M. Lofton vs. School Board, Los Angeles Unified School District (LAUSD) **Superior Court of the State of California for the County of Los Angeles.**

Even though the cited matter has been *an already agreed upon matter* since January 23, 1967, it still pends due to massive *affinity fraud* in every American institution from sea to shining sea.

Final judgment and order in case 895188 authored by the Plaintiffs pursuant to Amendment X, USC signed between November 22, 1975 and February 21, 1976 pursuant to ARTICLE VI, Section 19, CC. by the Chief Justice of the Supreme Court of California, the Honorable Donald R. Wright who as Presiding Judge of the Superior Court of Los Angeles was the last judge of

court of record. Final judgment and order (case 895 188) is in the custody of and/or under the control of John A. Clarke, Executive Officer/ Clerk of the Los Angeles Superior Court.

Affinity fraud in every institution is further substantiated by a copy of the enclosed booklet authored and self -published in 2001 by plaintiff Esther M. Lofton titled *Theft by Court* and case #BC 385 899: Michael L. Lofton v. Mayor Antonio Villaraigosa documenting the fact that the Plaintiff, a 30-year employee of the Los Angeles Department of Water and Power (LADWP) has been on NO SHIFT/NO PAY (NS/NP) since October 17, 2007 in the absence of cause.

Despite your sermon condemning black males in an apostolic church in Chicago, IL on Fathers' Day 2008 Leon E. Lofton, Jr., his son Michael L. Lofton and Carl A. Steadman, Jr. are all black males, all descendants of slaves and all citizens of the United States of America.

The DECLARATION OF INDEPENDENCE adopted by the United States Congress July 4, 1776 provides that *when institutions of the people fail to secure the inalienable rights becoming destructive to that end, it is the right, it is the duty of the people to alter or destroy that form and to institute new government laying its foundation on such principles and organizing its powers in such form as to them seem most likely to effect their safety and happiness.*

Execution/enforcement of the judgment and order case # 895 188 by Constitutional lawyer Barack Obama or President of the United States Barack Obama satisfies the 14th Amendment to the United States Constitution and provides the means of the dictates of the Declaration of Independence.

Sincerely,

Esther M. Lofton
