

THE UNCLE TOM'S BIBLE

1. It is important that you represent every ethnic group but your own.
2. As a Black criminal, civil or public defender attorney appear to represent your client, then side with the opposition.
3. When involved in a community based policing block club, fail to include the crimes of government against its citizens.
4. As a judge of the court, make it your business to hang your own, even when it is in violation of the U.S. Constitution to do so.
5. In your capacity as a Black social worker, bend over backwards to breakup Black families.
6. In your capacity as a Black probation officer, place minors, including infants on probation.
7. Be that 'BOYS N THE HOOD BLACK POLICE OFFICER'.
8. Try your best to be that wanna-be Caucasian, or anything other than Black professional.
9. Be adapt at being a jack-leg, sacrilegious preacher.
10. As a Black journalist, newspaper, etc., present falsehoods rather than truth, with the intention of misleading the Black community.
11. In the capacity of elected representative, refuse to protect the interests of your Black community constituents, and deceive your own community into thinking that they are adequately represented.

"THE JOB OF THE CONGRESSMAN"

"There are cases where an individual has been wrongfully treated by his government and about the only way, unless the individual resorts to court, and even in some cases the courts are not able to give proper relief, the only area or avenue open to the individual is through his representative. When you find a bona fide error has been made, I suggest that you make a maximum effort to remedy it. This I feel is a vital and important function of those of us in the House of Representatives."

Authors: Donald G. Tacheron and Morris Udall, from the book entitled, "THE JOB OF THE CONGRESSMAN", pages 45 and 46.

(The above holds true for any elected office holder, or American citizen.)
